

Jumping Beans!

at

John McMillan Preschool

We all know that children have tons of energy!

This class will get them hopping, running and jumping to get those wiggles out! They'll stretch their muscles and move, move, move - all while learning about a new sport each week.

Purposeful movement helps children develop self-awareness and self-regulation. Children will also develop gross and fine motor skills while building coordination, balance and confidence.

Children must be 3½ by September 30, 2017 to enroll.
